Jimny Nomade

FC

BRAND NEW RHD

This Suzuki Jimny Nomade is the five-door Jimny, finished in Jungle Green with a four-speed automatic and right-hand drive. It keeps the ladder frame, part-time four-wheel drive with low range and three-link rigid axles, on a wheelbase 340 mm longer than the Jimny Sierra's, which makes room for rear doors and four seats. The 1.5-litre K15B makes 74 kW, and the automatic adds adaptive cruise control.
